LEADING IN INNOVATION AWARD

MicroRead NFC Product

Remy De Tonnac,
CEO of Inside Secure

“The GLOBALFOUNDRIES team is first rate, and has built a very effective working relationship with Inside Secure. We rely on GLOBALFOUNDRIES as a key partner and certainly recommend them to others.”

“Inside has built a strong working relationship with GLOBALFOUNDRIES for more than 10 years and has introduced several generations of innovative products with them. We work closely together on IP and technology development. Our leading MicroRead NFC product line is poised for volume production in 0.35um at GLOBALFOUNDRIES’ Fab 2 in Singapore.”
